Job Ticker

CONSTANTLY UPDATING INFORMATION TO HELP EMPLOYERS' FILL VACANCIES

What is Job Ticker?

We help employers take positive action to recruit local people by providing a central information and support source. We have direct contact with companies in Blackburn with Darwen and the surrounding area and we enable these businesses to tap into the myriad of employment support schemes and financial support that's available but not always obvious.

Who can benefit from Job Ticker?

All employers in Blackburn and Darwen have access to Job Ticker. Through it they receive information on all aspects of recruitment, training and development.

They will also be given help finding the right person for their vacancy, access to any available financial support and information about on-going training to develop individuals. In return they are simply asked to make a commitment to local people and ensure consideration is given to them for local jobs.

What are the benefits of accessing Job Ticker?

- Saves you time - we take the "leg work" out of finding the right person
- Complete service for:
 - Information on local training
 - Guidance on funding and financial support
- Matching system - your vacancies matched to local people looking for work
- Work trials to "try out" new employees
- Membership of Blackburn with Darwen (and Pennine Lancashire) Employment Charter
- Receive benefits from Jobcentreplus Local Employment Partnership
- Opportunity to access additional business support through Guardian Angels and Employers Forums

How much will it cost?

The service is **FREE** to employers. It is funded via Blackburn with Darwen's City Strategy scheme, known as Workroutes, which in turn is financially supported by Central Government. In fact, rather than costing you money to recruit and train new employees, you may find that you are eligible for a number of financial support packages to reduce the financial risk of recruitment.

Who Is Involved?

Lots of organisations. By contacting Job Ticker you will have access to numerous services such as Jobcentreplus, Blackburn with Darwen Borough Council Employment Service and Supported Employment Service, Surestart, Blackburn with Darwen Neighbourhood Learning Centres, Connexions, Shaw Trust, Working Links, Elevate East Lancashire, Bootstrap, Remploy, Reed in Partnership, A4E, Training 2000, Blackburn College and a host of other training providers.

What do I have to do?

Contact us and we will arrange for a one-to-one meeting at your convenience to discuss your company's requirements.

What commitment do I need to give?

An undertaking to try new ways to recruit and diversify your workforce by giving local residents currently in receipt of benefits a fair opportunity through your selection process.
